

1. 3-in-1 DECON LANCE SICUT LIQUID

Provides capability for 3-phase decontamination: Pre-washing, decontamination and rinsing.
3 Output lines: Foam, High Pressure Flat and High Pressure Solid Stream
It could be used with chemical, biological or radiological decontamination agents.
Ergonomic ruggedized case
Liquid Decon Agents.

2. 3-in-1 DECON LANCE LIQUID

Provides capability for 3-phase decontamination: Pre-washing, decontamination and rinsing.
3 Output lines: Foam, High Pressure Flat and High Pressure Solid Stream
Special Foam Nozzle for Radiological Decontamination.
Liquid Decon Agents.

3. 3-in-1 DECON LANCE SICUT POWDER

Provides capability for 3-phase decontamination: Pre-washing, decontamination and rinsing.
3 Output lines: Foam, High Pressure Flat and High Pressure Solid Stream
It could be used with chemical, biological or radiological decontamination agents.
Ergonomic ruggedized case
Powder Decon Agents.
Integrated Powder tank (2 kg)

4. STEAM LANCE

Decontamination through steam (up to temperature 210°C)
Built on stainless steel
Ergonomic design
Pressure regulation system through the valve.

5. UNDERCHASIS LANCE

Specifically designed lance for carrying out all the operations of decontamination in places of difficult access as low of vehicles or fenders thanks to its range of angle of spray of 20° to 140° controlled by the innovative technology of control. Variopress system of pressure regulation. Include wheels kit for easy operation under the vehicle.

6. BOTTOM DEVICE

Specially designed for carrying out decontamination operations of bottom vehicles.

Fixed device

Rotation system to assure uniform decontamination spraying over complete bottom vehicles surface.

TECHNICAL FEATURES

REF.	NAME	DIMENSIONS (mm)	WEIGHT (kg)	WORKING PRESSURE (BAR)	FLOW (L/min)	WORKING TEMPERATURE (-C)	MATERIAL
1	3-in-1 Decon Lance SICUT Liquid	800x200x55	4,5	90	18	90	Stainless Steel / Aluminum
2	3-in-1 Decon Lance Liquid	1500x220x40	2	90	18	90	Stainless & Galvanized / PVC
3	3-in-1 Decon Lance SICUT Powder	800x320x55	5	90	18	90	Stainless Steel / Aluminum
4	Steam Lance	722x293x49	2,5	18	6	210	Stainless Steel / Aluminum
5	Underchasis Lance	1600x100x55	1,3	90	18	90	Stainless & Galvanized/ PVC
6	Bottom Device	600x500	3	90	18	90	Stainless Steel
